## CLASS DESCRIPTIONS

**WILD CARD NOVICE:** The Wild Card Novice class is for any dog that is capable of performing the Novice exercises and that is eligible under the Obedience regulations to compete in AKC events. No title is required to enter, and handlers may enter more than one dog. Dogs in this class may be handled by the owner or any other person, and may be entered in another class or classes at the trial. The Novice exercises will be performed and judged as in the regular Novice class, except that verbal praise during the exercises is to be encouraged and not penalized. (Good, yes, nice, super, great, atta boy, are some examples of praise that would be allowed.) Handlers may give additional commands, but they will be penalized accordingly. Each handler may choose to skip one exercise and receive full credit for that exercise. When checking in, the handler must inform the steward or Judge which exercise will be skipped. If an exercise is skipped, it cannot be performed. If the handler chooses to perform all of the exercises, all will be scored. The exercises will be performed in the same order as the regular Novice class. The point values for the exercises, scoring, and maximum total points are the same as the regular Novice class.

**WILD CARD OPEN:** The Wild Card Open class is for any dog capable of performing the Open exercises and that is eligible under the Obedience regulations to compete in AKC events. No title is required to enter, and handlers may enter more than one dog. Dogs in this class may be handled by the owner or any other person, and may be entered in another class or classes at the trial. The Open exercises will be performed and judged as in the regular Open A class, except that verbal praise during the exercises is to be encouraged and not penalized. (Good, yes, nice, super, great, atta boy, are some examples of praise that would be allowed.) Handlers may give additional commands, but they will be penalized accordingly. Each handler may choose to skip one exercise and receive full credit for that exercise. When checking in, the handler must inform the steward or Judge which exercise will be skipped. If an exercise is skipped, it cannot be performed. If the handler chooses to perform all of the exercises, all will be scored. The exercises will be performed in the same order as in the regular Open A class. The point values for the exercises, scoring, and maximum total points are the same as in the regular Open class.

**WILD CARD UTILITY:** The Wild Card Utility class is for any dog that is capable of performing the Utility exercises and that is eligible under the Obedience regulations to compete in AKC events. No title is required to enter, and handlers may enter more than one dog. Dogs in this class may be handled by the owner or any other person, and may be entered in another class or classes at the trial. The Utility exercises will be performed and judged as in the regular Utility A class, except that verbal praise during the exercises is to be encouraged and not penalized. (Good, yes, nice, super, great, atta boy, are some examples of praise that would be allowed.) Handlers may give additional commands, but they will be penalized accordingly. Each handler may choose to skip one exercise and receive full credit for that exercise. When checking in, the handler must inform the steward or Judge which exercise will be skipped. If an exercise is skipped, it cannot be performed. If the handler chooses to perform all of the exercises, all will be scored. The exercises will be performed in the same order as in the regular Utility A class. The point values for the exercises, scoring, and maximum total points are the same as in the regular Utility class.

**RALLY INTERMEDIATE CLASS:** To be eligible for entry in this class dogs must have won The Rally Novice Title but may not have earned a qualifying score in Rally Advanced. All dogs are judged on leash. Rally Intermediate must have 12 to 17 signs (Start and Finish not included) with a minimum of three and a maximum of seven stationary signs. Intermediate courses will have a minimum of three Advanced level signs. There are no jumps in this class.

**RALLY MASTER CLASS:** To be eligible for entry in this class dogs must have won The Rally Excellent (RE) title. All dogs are judged off leash. The Master class must have 15 to 20 signs (Start and Finish not included) with a minimum of three and a maximum of seven stationary signs. Courses all have a minimum of four Master level signs plus the one required jump (302, 302, or 303), a minimum of three Excellent level signs and a minimum of three Advanced level signs. There are no retriefs for any of the signs on the Rally Master course. Unlike in the Rally Novice, Intermediate and Advanced classes, in the Rally Master class handlers are not allowed to pat their legs or clap their hands to encourage the dog without penalty. Verbal encouragement, multiple commands and/or inaudible signals using one or both arms and hands are allowed; the handler's arms need not be maintained in any particular position at any time.
